### Principal's Message

*Dear Families of Our Lady of Lourdes,*

*Today is Ash Wednesday, a day that begins a new season in our Church year, Lent. Lent is a very special time during which we prepare ourselves to celebrate Jesus' Resurrection at Easter. This morning OLOL celebrated the Eucharist and we received the ashes. We heard in the Gospel how we can participate in three important activities to prepare for Easter.*

*The first activity that Jesus talks about is almsgiving. Almsgiving, or giving alms, is helping people who are in need. We help by giving what we can. We also help with our time and talents.*

*The second activity Jesus talks about is prayer. This one seems easy to understand. During Lent, we are asked to make a special effort to have a life of prayer and to improve our prayer lives.*

*The third activity Jesus talks about is fasting or giving up something. During Lent, we don't eat meat on Ash Wednesday and on Fridays. We might give up something else to show God we are preparing for Jesus' Resurrection. Lent is a good time to fast from habits that we would like to change too, such as saying unkind things to others or gossiping.*

*These are ways in which we learn to love God more.*

*Loving God, thank you for inviting me to come to you this Lent. By your Spirit, help me to soften my heart toward you and the people around me.*

**God Bless,  
Keiran Byrnes**

## EARLY YEARS ASSESSMENT

**All schools in the Parramatta Diocese will be conducting testing on the Kindergarten, Year One and Year Two children this term. This is an important source of data for the Catholic Education Office and most importantly for our teachers as they prepare learning programmes for our children. The assessments provide information for the teachers about the starting points for the learning of each child. The Catholic Education Office provides release for the classroom teachers to do this testing.**

**SCHOOL  
FEES  
ARE NOW  
DUE!**

The School Fees have now been sent to your mailing address. **First Instalment is due by Friday, 29th March 2019.**

In accordance with Catholic Education Diocese of Parramatta Conditions of Enrolment:

**Payment Due Date:** All Fees and Charges are due and payable 30 days from the date of the School Tax Invoice / Statement unless a payment arrangement is agreed to by the school in writing prior to the Current Term Fees Due date.

Flexible Payment Plans (FPP) are offered as an alternative payment option for your School Fees. Should you like to accept this offer our preferred method is to go to <http://www.parra.catholic.edu.au/school-fees> and arrange a direct debit from a nominated bank account or credit card. A Direct Debit Request Form has been supplied should you not have access to a computer and should be lodged with CEDP before the 22nd March.

BPAY election **requires you** to set up a recurring payment for the exact amount displayed under your preferred option, via your bank by the 22nd March so the first payment occurs by the 29th March.

Please contact Monique Kearins on 02 8869 6800 or [olol-shlsfees@parra.catholic.edu.au](mailto:olol-shlsfees@parra.catholic.edu.au) if you have any queries regarding your account or if you wish to discuss payment arrangements.

**Withdrawal of a Student:** A full terms notice (10 school weeks) in writing must be given to the Principal before a parent / guardian terminates the Student's enrolment. If sufficient notice of termination of the Student's enrolment is not given, the parent / guardian is to pay the School one term's school fees including any Diocesan Fees applicable. This amount reflects the School's financial loss associated with the Student's withdrawal without sufficient notice of termination. One exception is that notice in writing will be accepted at any time during Term 4 in relation to the following year's enrolment.

# CATHOLIC SCHOOLS WEEK

3-9 MARCH 2019

Discover our difference  
at your local Catholic school

## Out and About

This week marks Catholic Schools Week, a great time to celebrate all that is special about all Catholic Schools but OLOL Seven Hills in particular. This week it was great to see so many parents attending our Catholic Schools week liturgy and open classrooms, followed by a morning tea of scones with jam and cream, on the playground. It was a chance for students, even so early in the year, to showcase their learning to their parents.

Today is a chance to focus on what makes a Catholic school truly unique. Of course I am talking about the celebration of the Eucharist to mark Ash Wednesday, the beginning of the season of Lent. Our Catholic faith underpins all that we do, and the celebration of the Eucharist is central to that faith, so it is fitting that we come together as a school community in this way during Catholic Schools Week. It was lovely to see so many parents and Parishioners at our Mass.

Finally tomorrow at 9:30 we have our open morning for prospective Kindergarten students for 2020. This involves a presentation to parents followed by a school tour. If you know of anyone who has a child starting Kindergarten next year please encourage them to come to our open day to see all that OLOL has to offer.

**HAPPY CATHOLIC SCHOOLS WEEK !**

## **NAPLAN ONLINE**

Commencing on the 14th of May this year all students in Years 3, 5, 7 & 9 in NSW schools will complete NAPLAN Online. Over the last 2 years students have experienced the online version of NAPLAN in a trial setting. This year, however, we move to the actual tests being carried out online.

For our Year 5 students all of the NAPLAN tests - including Writing will be undertaken online. Our Year 3 students will complete the Writing component of NAPLAN on paper but will complete Reading, Conventions of Language and Numeracy online. As the date approaches more information will be provided.

Please find below a link to the Catholic Education Office of Parramatta's resource to assist parents understand what is involved with NAPLAN online and NAPLAN generally. The link provides information about the NAPLAN public demonstration site which can be accessed by students at home to provide them with practice with the online form. I would encourage parents to give the children time exploring this resource. Additional practice time will be also provided at school. At OLOL NAPLAN online will be accessed using Chromebooks which have a keyboard so providing students with access to the online site using a laptop or desktop computer would also be helpful to assist with navigation skills.

If you have any questions or concerns please don't hesitate to contact your child's class teacher or myself. Carol Cividin - NAPLAN Coordinator

## **Premiers Reading Challenge**

As a school we are once again participating in the Premiers Reading Challenge. The challenge officially commenced on Monday. Logon details should be sent to the school next week for all new students including our Kindergarten students. Students who participated last year are able to log on using their previous log on details. Once I have received details I will send a note home with all children explaining about the challenge and reminding them of their log on details.

Keep watching this space for updates!

## Student Attendance

### At school we are interested in your child's

- Well being and happiness
- Engagement with learning in the classroom
- Social and emotional development

**The single most important thing you can do to support all of these areas is ensure they attend Every Day**

### Five Top Tips for Parents

#### 1. Set the Expectation

- Good attendance starts with families making school a priority.
- Absences add up quickly

#### 2. Start Early

- Set good patterns from Kindergarten
- But it is never too late start improving attendance

#### 3. Communicate with school about every absence

- The Attendance roll is a legal document
- We are required to keep a record that your child is present - or the reason why they are absent for every school day

#### 4. Expect Challenges

- It's not unusual for children to resist coming to school at times
- Recognising the problem and addressing it early helps
- Be firm

#### 5. We need to work together

- When problems arise, let us know
- We all want your child to be happy and engaged, and to reach their full potential!

# **WORLD YOUTH DAY PANAMA 2019**

After 5 days in Mexico, we then made our way to Panama City, Panama for World Youth Day.

We spent our first day visiting *Old Town* and exploring the Churches and Chapels. Each place was created beautiful and expressed faith in different ways from the paintings, statues and murals of Christ's life. The following day, World Youth Day officially started, beginning with the Opening Mass celebrated by Archbishop José Domingo Ulloa Mendieta, as Metropolitan Archbishop of Panama. His encouraging words resonated with the 200,000 young people gathered. "We believe in you. We hope in you", he said. "The change and transformation that humanity and the Church requires are in your hands".

The Catechesis sessions were led by Bishops and Cardinals from the US and Australia and included animated youth activities, cultural performances, worship and adoration in an 3000 seat filled exhibition centre. We watched a beautiful presentation of the Way of the Cross, and were able to acknowledge the hardships Jesus encountered through an creative and interpretive account of the Stations of the Cross, and danced and worshipped with hundreds of pilgrims in Omar Park with Australia's own Fr Rob Galea and his band.

To end our pilgrimage, we walked with over 1 million pilgrims to Metro Park, where we slept overnight under the stars. World Youth Day then concluded with the Holy Mass celebrated by Pope Francis and the announcement of the World Youth Day 2022 to be held in Lisbon, Portugal.

Pope Francis personally addressed the hundreds of thousands of young pilgrims on several occasions over four days of World Youth Day. He would often ask those present to move away from what makes us comfortable and challenge the norms that we have become accustomed to in our present world.

World Youth Day was a pure celebration of faith, diversity and humanity. Throughout the whole event, we could feel the spirit and passion from all pilgrims on display at every moment. It was truly awe inspiring to be in a place where you could see all nations represented.

In the next Newsletter I will share my highlights of the retreat in Houston America.

Once again, thank you for your ongoing support and prayers whilst I was away.

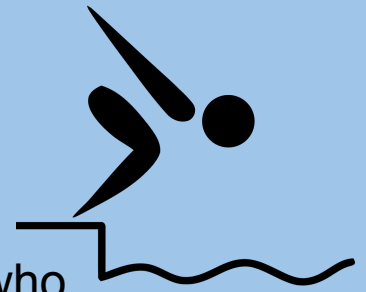

For highlights of each day of the trip please visit [parrawyd.org](http://parrawyd.org) or follow Catholic Youth Parramatta CYP on Facebook.

## **Kindergarten Welcome Barbeque - An evening of fun!**

Last Thursday Our Lady of Lourdes hosted a barbeque to welcome the newest additions to our OLOL Community - our Kindergarten students and their families. It was wonderful to see so many happy faces. Parents had a chance to meet one another and our kindergarten students played with new found friends, teachers, Year 6 student leaders and SRC.

The new playground equipment proved popular with all students and a delicious sausage sizzle was catered for by our Parent Group and Year One families. The highlight of the evening was the Kindergarten Treasure Hunt, where the students took the lead showcasing their school to their excited parents, ending the night with a cold iceblock.

A big thank you to our Parent Group for organising the barbeque and to our Student Leaders for helping to make the night such a fun and memorable one. A big thank you also to Mrs Marlee Cividin and Miss Jessica Bradford for their hard work in preparing the Treasure Hunt. It was a wonderful night!

## **Pastoral letter to the people and clergy of the Diocese of Parramatta**

Dear friends,

The news concerning Cardinal George Pell and his conviction and incarceration on historic child sexual abuse crimes has dominated local and international media this week. Such news has caused a wide range of emotions in the community.

Even among Catholics, there is a sense of shame and anger at the betrayal that the clerical sex abuse crimes represent, and the hypocrisy they reveal. It is wider than simply the case of Cardinal Pell. We must respect the processes of the law and await the outcome of the appeal.

In the meantime, our primary concern must continue to be the care of the victims of sexual abuse.

The revisiting of such grievous wounds has been difficult for many. As we approach Lent, may we, too, grieve with all those suffering intensely. Genuine hope begins whenever we listen to the story of another with an open heart.

Some, too, feel that in the marketplace the “brand Catholic” has suffered a grievous blow. Perhaps so. But we are not a market nor are we a popular cult.

We are first and always a community of disciples following our one master, Jesus Christ. We are not the Church of one particular leader, be it Pope Francis or Cardinal Pell or any other bishop.

We are the living Body of Christ made up of saints and sinners.

We are challenged by Our Lord to reach out to all who are hurting, and to all victims of every abuse and sinfulness. We are to be the “field hospital” for all the marginalised as Pope Francis has asked us to become. We are to be in the messiness of life, not to run away into some “idealised future or romantic past.”

To be such, demands that we let go of our sense of superiority, privilege and power and embrace again our need for healing and forgiveness and to look again at the Suffering Servant leader who is our Lord Jesus.

Many people may say these are only words and they would be correct. However, for us they are the words of Jesus and we are called to put our faith in Him and demonstrate it in our actions by our care for all in need.

This would mean changing the way we think and act so that all may feel safe and welcome in our communities regardless of what they believe, look like, or have, and regardless of their sexuality, gender or marital status.

The season of Lent summons us to a discipleship of humility, weakness and vulnerability, of dying and rising in Christ. We are challenged to remove our heart of stone and to have a heart of flesh instead.

During this period of crisis and darkness, as the Church, let us pray that we have the courage to die to that which is contrary to the Gospel, and rise to be what Christ has called us to be.

Yours in Christ the Chief Shepherd,
