Uniform shop Open for
fittings and purchase

2019 return to school

Thursday 31st January
Year 1-6 Resume

Friday, 1st February
Kindergarten 2019 1st
day of school

Principal's Message

Dear Families of Our Lady of Lourdes,

Last Sunday marked the beginning of the Church's year with the first Sunday of Advent. The adornments in our Church changed to the colour purple that originally signified a season of penitence. Advent is a season of waiting and preparation. We wait to celebrate the birth of Christ. We prepare by praying and focusing on living our lives so we are ready for Christ. It is a time to renew our faith in God.

In the coming weeks of Advent the readings of each Sunday will remind us of many important messages. Last Sunday we were reminded that Jesus is with us always but that we need to be patient, persevering in prayer and content to wait for our Advent.

In the Second Sunday of Advent we are called to prepare for the Lord's coming. Let us pray for each other and for faith, to be filled with compassion, to overflow with love for one another and to remain focused on things that truly matter – all of creation living in the love of God.

A theme of joy always runs through the liturgy of the Third Sunday of Advent. The joy comes from the anticipation that the Lord's coming is near. The Gospel also offers a challenge as we are called to act justly in all aspects of life.

In the Fourth Sunday of Advent we are reminded that Mary's mission was to carry Jesus to the world. We can see Mary as our model for mission in her faith, her love and obedience.

May we listen intently for the voice of God as we await the birth of Jesus.

**God Bless,
Keiran Byrnes**

[2018 Christmas Concert](#)

We have limited spaces available in Years 1-6 in 2019. If you have any relatives or friends considering enrolling their child at OLOL in 2019, now is the time to remind them to place their applications at the school office.

Facilities at OLOL – Construction Work

Thank you for your cooperation as construction works continue. Though there is some inconvenience during construction we look forward to further improvements to the playground for the children. Progress in the past week includes:

- Grinding and patching of existing surface of basketball court
- Acrylic surface applied
- Line marking of basketball and netball court

Facilities at OLOL – Announcement of Further Construction Work

I write with exciting news about further improvements to the facilities at OLOL. We have been recently advised that further work will take place to build a covered outdoor learning area (COLA) to be situated outside of Year 5 and 6. The COLA will be a permanent covering providing shade and protection from rain. The COLA will include natural and artificial lighting, acoustic treatment and the paving will be resurfaced with synthetic turf. Works will include establishing sliding doors from Year 5 and 6 effectively extending available learning space as well as removing subsiding pavers and establishing a level concrete area outside of the existing OOSH.

The program of works will commence early in January 2019 before the beginning of the school year and are anticipated to be completed in March 2019. As with all construction works there will be some short term inconvenience. However, interruptions will be kept to a minimum. Access to the school, OOSH and playgrounds will be maintained but will require some alternate routes and safety fencing. All WHS and Australian Building Standards will be maintained. Full details of any adjustments that will need to be made will be communicated in a timely manner before the beginning of the 2019 school year. As further details are confirmed I will inform you as soon as practicable.

These works will happen as result of the support of Catholic Education Diocese of Parramatta to improve the facilities for our children. This construction work will make a massive difference to the appearance and quality of the facilities for the children for 2019 and well into the future.

Architect's sketch of COLA
View from existing covered walkway near Year 5 looking towards Year 6 and OOSH.

On Monday November 26, Dorothy Makasa, from Catholic Mission, visited our school to publicly thank our community for the wonderful fundraising effort through Mission to Busk. Our efforts were very much appreciated and we were thanked for sharing not only our talents but also our compassion and generosity.

Dorothy then stayed and presented a workshop for Stage 3. The program was called 'The Haves and the Have -Nots.' The children participated in a workshop whereby they roleplayed a situation to highlight issues and challenges that some people in various countries experience through no fault of their own. This experience took the format of a simulation game and actively involved students in situations of injustice and unequal distribution of resources (such as educational, food, access to health and clean water and rights) . Students experienced life as the world lives in terms of the have and have not.

Some Year 6 students have shared their reflections with us to give us an insight of the impact it had on them.

Today, I got to witness an element of life in a not-so-wealthy country (Myanmar). It was really horrific to view the comparison between 11 and 12 year olds in Australia and Myanmar. The experience was so horrific because of the massive difference between children in different countries. I saw just how privileged we are (in Australia). We have rights, choices and freedoms, we are permitted to do whatever we like. Our Government feeds us, educates us and clothes us with kindness. Although in Myanmar the Government despises the residents, neglecting to feed, cloth, educate their people. This astonishing comparison shocks me, because Jesus's second commandment was to love others as yourself. The Myanmar Government certainly doesn't do that. This was all revealed to me when the teachers played roles of Government departments, and the students played their citizens. Dorothy showed us an example of how in Myanmar are mistreated. She did this by offering chocolate biscuits to Australian kids, then offering 1/4 of a plain cracker to the Myanmar kids. It was also shocking to know that many, many people are deprived of basic medication and pharmaceutical needs. I was enlightened today, enlightened of the tragic ways citizens of Myanmar live their lives. I now now just how

God gave blessed us with our individual, and unique, special talents so that we could use them for the good of the world. Everyone has different gifts that they can use to bring bliss into people's lives. For example, dancers can use their skills to captivate and entertain anyone who witnesses their enchanting performances. ✓
Wonderful!
EC 19/11

26/11/2018 Haves and Have Nots

[I roleplayed as a privileged person]

Today I learnt about how fortunate we are, here in Australia and how thankful we should be. Our eyes were opened^{up} to the reality of the disastrous things that young people like us have to go through and cope with. I was taught that any one of us can make a difference for the good of the world despite being youthful children. Even if it's not a big gesture, it is a solid start. ✓

This inspiring experience encouraged me to go out and make a change. It made me feel immensely grateful and aware of the different conditions children my age have to live with. They are the same as me, yet so different.

Nope 26/11

26/11

I learnt that we are much more fortunate than kids in Myanmar because we throw out so much food it can feed India. We can feed the people in need. Another thing I learnt was that ~~the~~ some of the children had much more clean water, more food, more education and more love. It made me feel sorry for the kids that don't have clean water, because dirty water can give them very bad diseases and even die. I felt very lucky because I get what I want but these kids in Asia, South Africa etc they don't even get clean water or great education. This leads me to Jesus' mission because I can donate money to Myanmar for children to buy food, fresh water and needy things that help villages and people that need it.

26/11

f

Dearest Father in heaven,

I love and adore you, and I hope with my strength, soul and mind that all on this earth may know your divine mercy. Your love is everlasting, and I pray with all my heart that you may continue to love all. I love you with all of my heart, soul and mind.

I thank you with all my heart for the mercy you have shown to us throughout the ages. My talents have helped me to fit in, and I thank you with all my heart for giving those skills to me. I am grateful, and I will always be, as long as I live.

I pray today that you will help all of the people on this earth to use their talents for the good of the earth, and that we may all have a talent we can use for all our lives. I also pray that you help me to show that love too.

I now ask for your forgiveness, as we enter season of advent. I hope that we may all be able to care for ourselves and others during cross road moments.

This is a love to D

Last Sunday was the beginning of Advent. Advent is a time to remember the many and varied ways that God continues to be present in the world. The first Sunday of Advent also sees the commencement of the new liturgical year. You will notice that the liturgical cloth and the priest's garments are primarily purple in colour. This indicates a period of preparation to celebrate The Birth of Jesus.

Celebrating with an Advent wreath during the weeks prior to Christmas is a great way for Christian families to keep Christ at the center of Christmas, and for parents to teach their children the true meaning of Christmas.

The colours of the candles in the Advent wreath are purple, pink and white. One candle is lit each week at mass.

- The first candle (purple) that is lit is sometimes called the Prophecy Candle or the Candle of Hope.
- The second candle (purple) is the Bethlehem Candle or the Candle of Preparation.
- The third candle (pink) is The Shepherd Candle or the Candle of Joy.
- The fourth candle is (purple) The Angel Candle or the Candle of Love.
- The final candle (white) is lit on Christmas Day and is called the Christ Candle.

Christmas time is a very busy time for many people but there should always be time to pray. It only takes a few moments. Sometimes we feel that we are too busy to do this. I invite you to make some sacred space in your day, especially during Advent. Any place can be a sacred space and it will only take a few moments to share some of your time with Jesus.

You might like to take a few moments to quietly say this prayer before you start each day. Enjoy talking to God and enjoy your day!!!!

***Lord, help me to live this day, quietly, easily.
To lean upon your great strength, trustfully, restfully.
To wait for the unfolding of your will, patiently, serenely.
To meet others, peacefully, joyously.
To face tomorrow, confidently, courageously.
St Francis***

End of Year Celebrations

As part of our end of year events and celebrations we warmly invite you to the following:

Friday 7th December	Parent Thank You Morning Tea	10:30am – 11:00am
Thursday 13th December	Year 6 Graduation and End of Year Mass (Farewell of Students and Staff)	9:15am
	Year 6 Graduation	11:00am

Preparations for the 2019 school year are also well under way and as details are finalised I will communicate these with you next week. On many occasions I have spoken about how proud we are of the excellent reputation Our Lady of Lourdes has in the wider community and as we draw near to the end of the year collectively we have much to be proud of and thankful for.

God Bless,
Keiran Byrnes

Attendance Every Learner Every Day—Attendance rate for the year to date is **89.3%**. **Our school target is 90%**. As a community we believe that every day counts for every child. Our attendance levels up to and including week 7 are recorded below. Congratulations to Year 6 who are now reaching the school's Target of 90%. Congratulations to Years 3, 4 and 5 who continue to exceed the schools target of 90% each week.

We are nearly at our goal of 90% of students at school 90% of the time. Punctual attendance at school in these final weeks of the year are very important as we continue the learning every day for every child.

School Name	School Attendance Level %
Our Lady of Lourdes Primary Seven Hills	89.3%
Scholastic Year	Sch Yr Attendance Level %
K	85.9%
01	86.4%
02	80.7%
03	94.5%
04	91.3%
05	94.2%
06	91.5%

Term 4 100% Attendance Certificates will be presented on Monday assembly week 10. Certificates will be based on data up to and including Friday week 9.

TRANSITION DAY – MEET THE TEACHER

On Tuesday 18th December the children will be meeting their class teachers and class members for 2019. At this time, class lists will have been finalised and are the result of many meetings, consultation and collaboration.

Transition will occur between 11.00am – 12:30pm and is aimed at removing any anxiety over the holiday break regarding the start of the new school year.

Thank you for your ongoing support.

Out and About

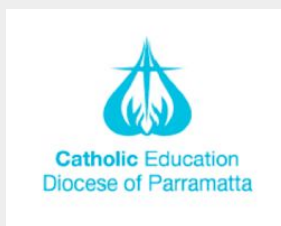

Despite the fact that the school year is fast drawing to a close there is still a lot happening at Our Lady of Lourdes. Last night we celebrated our Christmas concert and awards ceremony. It was wonderful to see so many of our families enjoying the performance and our students enjoying performing. Today we held our Primary Swimming Carnival and our Infants Dry Land Carnival, once again great events involving students, parents and staff having fun and celebrating talents.

Next Thursday our year culminates with the celebration of our End of Year and Year 6 Graduation Mass. It is fitting that in a Catholic school that the celebration of the Eucharist is the highlight of the year. All parents are warmly invited to attend this liturgy and join with us as we reflect on the year that was.

Of course none of these events occur without the help of many. This is true of all that happens at OLOL. This Friday, as a staff, we would like to take the opportunity to thank all those parents who have helped in anyway around the school at our Parent Helper Thank You morning tea. Whether you have been a parent helper in the classroom or at one of our sporting events, sold iceblocks at lunchtime, covered books in the library or packed our Meal Deals we would like to say thank you. Any assistance, no matter how small, is greatly appreciated. So please come and share morning tea with the staff and allow us to express our appreciation for the parental support we have experienced throughout the year.

I would like to take this opportunity to wish all our families a very happy and holy Christmas and a safe holiday. I look forward to working with you all again in 2019.

Carol Cividin - Assistant Principal

BACK TO SCHOOL

Tuesday, 29th January Mathematics Assessment Interviews by appointment Years K - 6

Wednesday, 30th January Mathematics Assessment interviews by appointment Years K -6

Thursday, 31st January Years 1 - 6 classes begin for 2019
Kindergarten Mathematics
Assessment interviews by appointment.

Friday, 1st February Classes begin for Kindergarten 2019

Please don't forget to book your Mathematics Assessment Interviews details below on how to book

Please follow the instructions below to access the booking system for the Mathematics Assessment Interviews for 2019.

You can now book interviews at times that suit **YOUR FAMILY BEST**.

Go to HYPERLINK "<http://www.schoolinterviews.com.au>"

www.schoolinterviews.com.au and follow these simple instructions.

Enter code: **tpzvf**

When you click **finish**, your interview timetable will be emailed to you automatically - **check your junk mail folder** if you do not receive your email immediately.

You can return to HYPERLINK "<http://www.schoolinterviews.com.au>" at any time, and change your interviews - until bookings close.

Congratulations to Week 7 Gold Award Winners:

Kinder Aariah Moss
Year 1 Elisha Odur
Year 2 Shaan Patel
Year 3 Audrey Bajada
Year 4 Alby Bento
Year 5 Lily Kwicien
Year 6 Arzaan Netto

Congratulations to Week 8 Gold Award Winners:

Kinder Tate Roughley
Year 1 Laura Perkins
Year 2 Tia Gupta
Year 3 Ivy Su
Year 4 Keira Pangilinan
Year 5 Timmy Atem
Year 6 Katelyn Fountain

Congratulations to the children who received Merit Awards at last Friday's Assembly:

KB: Edward Zhuang, Varshith Domaraju, Lachlan Byrne, Giselle Assi

KW: Taylan Tufanoglu, Hayley Greentree-Davis, Gabriel Ishac, Tanishka Sriraj

1B: Anita Nguyen, Luca Madejski, Ethan Santosa, Tohuia Kama, Matthew Cadavid

1W: Karlos Ravic, George Safiti, Johnathan Awkar

2B: Ashley Lo, Isley Williams, Arya Patel, Jamie Hallett

6B: Natalie Assi, Nathan Clark, Reuben George, Thomas Osborne

6W: Joshua Herczeg, Sienna Rose Letufuga, Arzaan Netto, Alexander Sakre

Reporting Student Learning K - 6

Next Friday 7th December you will receive your child's report for Semester 2. These reports are only one way of gaining information about your child and their academic progress. We encourage you to also look through your child's workbooks and work samples that will be sent home in the last week of school.

The report communicates information about your child's learning

- for all seven Key Learning Areas (KLAs)
 - Religion
 - English
 - Mathematics
 - Human Society and its Environment
 - Science and Technology
 - Personal Development, Health and Physical Education
 - Creative Arts
- using a scale of achievement.

What is a Scale of Achievement?

Kindergarten learning reports communicate individual achievement in all areas according to the following scale:

Working Towards ES1	Beginning ES1	Middle ES1	Late ES1	Working Beyond ES1
----------------------------	----------------------	-------------------	-----------------	---------------------------

Years 1 – 6 learning reports communicate individual achievement in all areas according to the following scale:

E	D	C	B	A
Achievement Elementary	Achievement Basic	Achievement Sound	Achievement High	Achievement Excellent
Number of students achieving an E	Number of students achieving a D	Number of students achieving a C	Number of students achieving a B	Number of students achieving an A

Your child's effort for each area is reported using a three-point scale:

- **Improvement Required**
- **Satisfactory**
- **Commendable**

The number of students achieving at various levels is determined:

- by the year group's achievements
- it is not by a mathematical formula

For Years 1 to 6 the number of students achieving at each level E - A is stated on your child's report for each key learning area.

Comments In the Semester 2 Report a comment section has been included for Religion, English and Mathematics as well as a general comment. In the Key Learning areas of Religion, English and Mathematics the comments take the form of dot points. The first set of dot points relate to what the student is able to do and the next set of dot points give suggestions as to the next step for the student in relation to the Key Learning Area.

The general comment at the end of the report gives the teacher an opportunity to comment on the work habits and social aspects of each child.

As throughout the year, parents have the opportunity to discuss their child's performance. Should you wish to have a meeting with your child's teacher, please contact the office or your child's teacher to make an appointment at a mutually convenient time.

ARE YOU LEAVING

If your child/children will not be returning to Our Lady of Lourdes in 2019, would you kindly inform the office as soon as possible. The Catholic Education Office policy relating to the notice required from parents to terminate their children's enrolment in the schools of the Parramatta Diocese, in part states that, "A term's notice (10 weeks) in writing must be given to the Principal before the removal of any student or a full term's fees will be paid". The notice can be given any time during the term for the next term. A form is available from the school office.

This means that unless the school receives a term's notice no pro rata adjustment will be given for part term tuition. Notice in writing will be accepted at any time during Term 4 in relation to the following year's enrolment. In this circumstance the requirement of 10 weeks notice will be waived.

Tomorrow December 6th is the final day for uniform appointments for 2018. The uniform shop will be open on Tuesday 22nd January, 2019 for appointments or if you know the size you are welcome to drop in on this day between the hours of 8.30am and 3.30pm and purchase.

If you wish to make an appointment to try-on uniforms please logon to the website:

<https://www.schoolinterviews.com.au/login>

Use the event code:

3unkv

If you require any further information please contact
Aida Almeida in the school office on 8869 6800.

Thankyou

Executive Director's Summer Reading Challenge

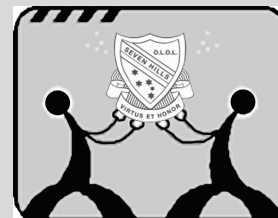

The Executive Director's Summer Reading Challenge is on again. Students have a chance to win one of 4 iPad minis. To enter the challenge, read as many books as you can and say why you love them. Details via the link below:

LOLO PARENT GROUP

In The Know

Term 4 2018

Here we are at the final stretch of the 2018 school year at Our Lady of Lourdes Seven Hills.

We have re-introduced In The Know Parent Group Newsletter to keep you up to date and informed on what is going on at school.

As we are concluding the year, this will be our 'Lite' edition. The 2019 school year will bring comprehensive editions outlining school community events, meal deals, updates and dates to remember.

To support the school in their environmentally friendly endeavours regarding the use of paper, In The Know will be distributed digitally.

The Parent Group is all about supporting the Our Lady of Lourdes school community. It is a component of OLOL that is here to give us as parents an opportunity to become actively involved in the community of the school, getting to know one another and functioning as a supportive community, benefitting not only the school community through the raising of funds and accomplishing tasks across the school that would not be possible without our assistance, but also our children as we demonstrate to them the importance of their schooling by showing them that we are here WITH them to support them in ALL aspects of their schooling. After all, our children's schooling does not begin and end at the school gate, there is so much more to our children's schooling that further enhances their potential for success and happiness.

The executive committee of the Parent Group consists of:

President	Patrizia Fiorenza
Vice President	Katherine Fountain
Secretary	Melissa Fahey
Treasurer	Janine Ballment
Publicity Officer	Melissa Laus
Email	LOLOPG@hotmail.com

The Parent Group meeting minutes can be found on the school website

www.ololshills.catholic.edu.au.

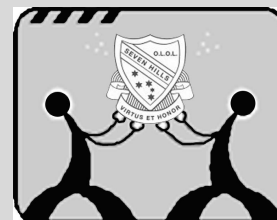

Go to 'notes for home', then 'whole school' then select the minutes you are looking for.

Please feel free to contact us at the email address listed or if you see us around school if you have any queries, suggestions, requests or ideas to assist in supporting our school.

LOLO PARENT GROUP

In The Know

Lunchtime Sales

Our Lunchtime Sales have been going very well. Throughout Term 4, we have been selling an abundance of Zooper Dooper ice blocks.

We are open to exploring other options to offer during lunchtime sales throughout the year, so if you have any suggestions, requests or ideas, please forward them to the Parent Group email or feel free to catch one of us around the school. Healthy suggestions so far have included cups of corn kernels, blueberry muffins and chopped fruit. We appreciate and welcome your input, so please keep the ideas coming!

A call will be going out early next year for parents to assist with lunch sales. Even if you can spare one hour a term to help out, it would be greatly appreciated (& just imagine the smile on your child's face when they see you there!)

LOLO PG Chat Facebook Page

The Parent Group have a private Facebook page. It is a place where you can ask questions and provide answers about our school, school events, or parent group events. There are currently 193 members. Welcome to the new members who have joined recently.

If you would like to join the group just search for "LOLO PG chat" and ask to join. Please read the rules so that you are aware of what can and cannot be posted.

OUR LADY OF LOURDES SEVEN HILLS

School Uniform

Children are required to wear full school uniform at all times including appropriate haircuts and limited jewelry. Parents' support is essential to ensure their child wears correct school uniform each day.

The following information and images provide clarity about school expectations upon the return of students to school in 2019.

Boys hair is to be kept neat and tidy, off the collar, of consistent natural colour, of gradual even grade and all extremes of fashion are to be avoided. Some examples of “styles” that are unacceptable include: ridges, lines, undercuts, steps, bowl cuts, any excessive shaping with gel, and any shaving cuts. The school reserves the right to make rulings on the acceptability of any student hairstyles.

Girls hair is to be of consistent natural colour. Hair that is longer than shoulder length is to be tied back from the face. Hair is to be off the face and out of the eyes. Ribbons, hair slides etc, if worn should be in the uniform fabric or blue. Scrunchies are sold from the Uniform Shop.

Girls Summer

- blue check dress with navy piping & navy tab
- navy school jacket with school crest
- navy jumper with school crest (optional)
- navy (ankle) sock
- black shoes (lace up/velcro)
- navy broad brim hat or cap with school crest
- navy bag with school crest

Girls Winter

- plaid tunic with plaid tab
- long sleeved peter pan collar
- classic blue blouse
- navy jacket with school crest navy jumper with school crest (optional)
- navy (ankle or knee high) socks or navy (opaque) tights
- black shoes (lace up/velcro)
- navy broad brim hat or cap with school crest
- navy bag with school crest

Girls and Boys - Sports

- navy polo shirt with classic blue trim & school crest
- navy shorts with OLOL embroidery
- navy school jacket with school crest
- navy track pants with OLOL embroidery
- white (ankle) sports socks
- predominately white sand shoes (lace up/velcro)
- navy broad brim hat or cap with school crest
- navy bag with school crest

Boys Summer

- school classic blue short sleeve shirt with school crest
- navy (blockers) shorts
- navy jacket with school crest
- navy jumper with school crest (optional)
- navy (ankle) socks
- black shoes (lace up/velcro)
- navy broad brim hat or cap with school crest
- navy bag with school crest

Boys Winter

- school classic blue long sleeve shirt with school crest
- navy (blockers) trousers
- school tie
- navy jacket with school crest
- navy jumper with school crest (optional)
- navy (ankle) socks
- black shoes (lace up/velcro)
- navy broad brim hat or cap with school crest
- navy bag with school crest

Other items available...

- excursion/library bag
- scrunchies and head bands

All items of school uniform & school bags are available at the school uniform shop.

Dear Parents and Carers,

Having accurate, up-to-date information on our students is an important part of maintaining their safety and wellbeing and supporting their learning. It also assists schools to make good decisions about how best to support and care for all students. To ensure that the data we currently hold is current and accurate, CEDP is conducting a **data validation survey**.

What does this involve?

It is pretty straight forward. Catholic Education Diocese of Parramatta (CEDP) will send you an email, SMS and/or letter with a link to the survey. Please note that in some cases you may need to confirm visa details, arrival and school starting dates in Australia, so please have this information with you before starting the survey.

The survey will ask you to confirm or change the information the school currently has about your child/children. This could include names, addresses, email addresses etc. In the majority of cases, the information will not have changed. If it has, it is important you record this in the survey. Letters sent to parents will include instructions on how to access the survey online.

Completing this survey helps to ensure that we have the right information about your child in the case of an emergency and for programs that best suit your child's needs.

Reminder emails and SMS will also be sent.

Questions?

If you have any questions about this project, please contact your school. You can also contact the CEDP Helpdesk at enterpriseservicedesk@parra.catholic.edu.au or phone 9840 5620.

Thank you for your support of this important project.

Keiran Byrnes
Principal
