Principal's Message

Dear Families of Our Lady of Lourdes,

Welcome to Term 3! I hope you and your family had an opportunity to take some time out and slow down over the recent holiday break.

The children have returned to school positive and keen to learn. I have enjoyed hearing teachers speak proudly about individual students who have made progress in their reading, sharing great writing samples, sharing children's "sweaty brain thinking" in mathematics as well as great sharing stories of children making great choices. These are all examples of our student demonstrating respect, responsibility and readiness to learn.

2020 thus far has certainly been challenging on many levels and NSW still remains on high alert in terms of COVID19.

Thank you for your support in keeping your children home if they are unwell for any reason and seeking advice if concerned.

We are continuing with extra cleaning in the school on a daily basis, and practising hygiene routines using hand sanitiser and soap and water regularly throughout the day. We also continue with our Kiss and Drop and Kiss and Collect routines. Thank you to parents for turning left out of the driveway, displaying your new name tags for your car, and arriving as far as possible at your allocated time in the afternoon. These adjustments have made a significant improvement to the process in the afternoon and contributes to everyone's safety.

As we look forward to the feast of Saint Mary of the Cross MacKillop on August 8th, more than ever we can look back and draw on the significance of her life. We are reminded of her strength and courage in challenging times. She believed in the healing power of her faith in God. Through God's love Saint Mary transformed the lives of ordinary people by reaching out to others in need. May we follow her example of "never seeing a need without doing something about it"

God Bless,
Keiran Byrnes

Out and About

We have begun the term on a positive note with both teachers and students refreshed after the break and ready to engage in the learning.

Last night we held our Stage 3 Personal Development evening via Zoom. This was a new experience for all of us but the parents, students and teachers worked well together to ensure that the required content was delivered in a manner that was accessible. Thank you to Mr Owen and Miss Attard for facilitating this.

Library borrowing has recommenced and parents should now see the students regularly bringing home books from the library. A reminder that the Premier's Reading Challenge concludes at the end of next month. Please see the details at the bottom of the page in relation to participation.

This term we traditionally hold our Book Week activities. The Children's Book Council of Australia, however, has decided to postpone their Book Week activities until Term 4. As our Book Week parade is a special event for both the students and the parents we have decided to postpone our Book Week activities as well to Term 4 in the hope that COVID 19 restrictions may have eased by then. In the meantime we will continue to look at the Children's Book Council shortlisted books in the classroom and as a school decide which book we think is the best.

A reminder that our Year 6 Pie Drive fundraiser closes this Friday, July 31st. All support for this fundraiser is most appreciated to assist with funding our Year 6 Graduation disco.

The morning and afternoon drop off and pick up procedures are working more smoothly this term with parents adhering much more closely to their allocated times allowing for the traffic to flow more smoothly and minimising waiting time. Thank you to all parents for assisting with this.

Carol Cividin - Assistant Principal

As a school we are once again participating in the Premiers Reading Challenge. The challenge officially commenced on March 2nd and concludes on Friday August 28th which is the last day for students to enter their student reading records. The student records can be added via the Premiers Reading Challenge website using the user names and passwords provided in Term One.

On August 8 we celebrate the **Feast of St Mary of the Cross MacKillop**.

Due to COVID restrictions we are unable to celebrate a Mass or Liturgy as we would normally do. We will, however, still be celebrating a Liturgy that will be planned and recorded by the students and teachers. The students will then be able to participate in the Liturgy, as a class, at a time suitable to them throughout the day.

This term we will be introducing the St Mary of the Cross MacKillop Award. This award will be given to one child, per grade, at our weekly assembly. Each week there will be a focus on a Mary MacKillop saying and teachers will identify children who try to put the message of the saying into action. This award will temporarily replace the Faith in Action Award that we have previously had.

The New RE Curriculum.

In 2020 a new Draft RE Curriculum has been rolled out to schools throughout our Parramatta Diocese. The purpose of the curriculum is to empower each student to discover a meaningful and flourishing life. In responding to the signs of the times and walking in humility in the way of Jesus, the curriculum continues the universal Mission of the Catholic Church.

The new curriculum is a stage based program from Preschool to Stage 6. Each stage includes eight Learning cycles, one per term, with the exception of Preschool and Early Stage One having four Learning Cycles and Stage 6 having seven Learning Cycles.

The new curriculum appeals to “head, heart and hand”, and will see students flourish. The desire is to develop a more compassionate and caring society through students being “attentive, intelligent, reasonable and responsible.”

Each school in the diocese has been a part of the development of the curriculum and some schools have been able to trial the curriculum in 2019. Each school is at a different stage of implementation. At OLOL we are currently still following the Sharing Our Story curriculum whilst teachers are engaging in Professional Learning about the New Curriculum.

All our teachers will participate in a Professional Learning Program for the new Learning Framework throughout Term 3 and will be well prepared for its implementation. This is an exciting opportunity for our community to further enhance our approach to Religious Education and promises to offer great learning for our staff and students. We will undergo a process to develop new and exciting learning opportunities for all students within our school community.

Yours in Christ,

Janelle Bawden
Religious Education Coordinator

Tell Them From Me (TTFM) Partners in Learning Survey

In the coming weeks we will be inviting students, teachers and parents to provide feedback on their experience of our school using an online survey. The surveys are an important part of our whole school evaluation and planning process.

We would like to invite you to complete the *Tell Them From Me (TTFM)* Partners in Learning survey. As we value the role of parents and carers within our school community we would greatly appreciate your feedback. The information you provide will be used to maintain our commitment to working together in partnership to further improve student learning and wellbeing at Our Lady of Lourdes Seven Hills.

This year's TTFM surveys are later due to the impact of COVID19 but will include 5 additional questions related to experiences during remote learning as a result of the COVID-19 situation.

The survey is anonymous and will take approximately 20 minutes to complete. You will be able to access the parent survey on your computer or mobile device. This year's *Tell Them From Me* (TTFM) survey window is from **Monday, 10 August to Friday, 28 August 2020 (Term 3, Weeks 4-6)**.

OLOL's Monday Zoom Assemblies

In order to continue our Monday morning assemblies, we have been holding them via a whole school Zoom Meeting each Monday morning.

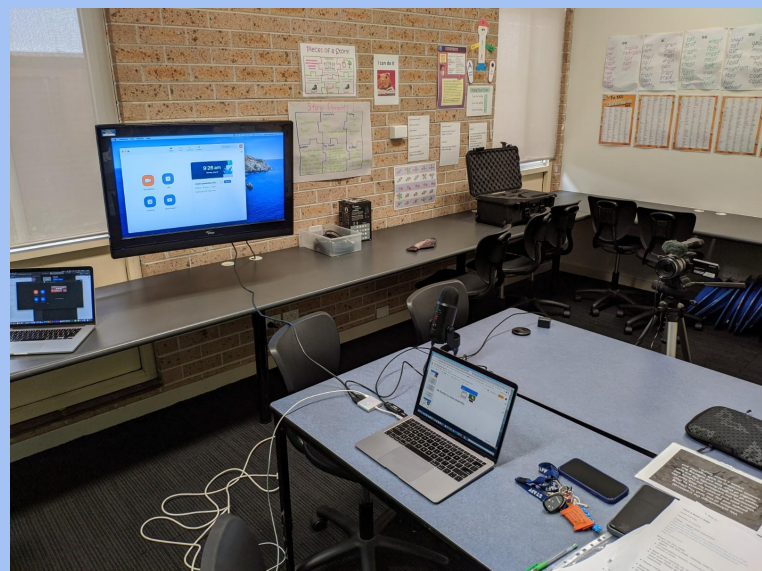

We have been doing our Welcome to Country, Prayer, singing Happy Birthday and the National Anthem as well as our Gold and FIA/Mary MacKillop Awards.

Starting this week we are also incorporating our Friday grade assemblies by giving our Merit Awards and having different classes share an item for the school. This week we heard from the Choir!

Each week we will post the link from the Assembly Recording and Student item on the Parent Portal on the "Parents" Section. This way Parents can still see the wonderful work their children are doing at school.

We wouldn't be able to hold these Zoom meetings without the expertise of Mr Adams- who along with Mrs Willemse have created OLOL's very own "Green Screen" recording room in Year 5. It's an amazing space!

Stay tuned for more great recordings!

Building Child Safe Communities - Volunteer Undertaking

Dear Parents/Carers

In Catholic Education Diocese Parramatta (CEDP), we see parents and carers as partners in your child's learning journey. Parents and carers are encouraged to become involved in our schools in many important ways such as supporting classroom learning, being part of advisory groups, mentoring programs, coaching sporting teams and supporting other extra-curricular activities, canteen support and other kinds of help.

A range of checks and undertakings are required for people who work for or provide services to CEDP. These checks reduce potential risk and form part of our strategy to build child safe communities.

CEDP has launched a new *Building Child Safe Communities* form and online training module that all volunteers are required to complete by 30 September 2020.

The purpose of this training is to inform you of the standards of behaviour and other requirements that must be adhered to when volunteering for CEDP.

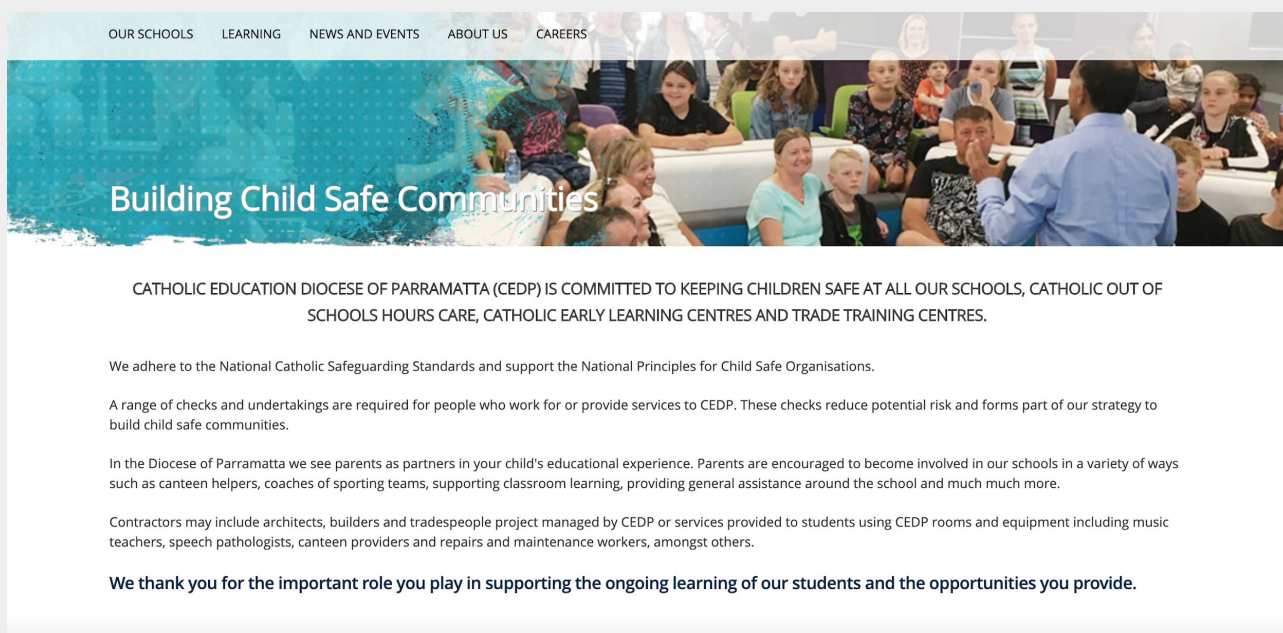

The undertaking should take no more than 5 minutes to complete and the training module approximately 10 minutes. Once the form and training modules are submitted, an automated email will be sent to you within two business days to confirm the status of your submission.

The undertaking form will expire within two years or when your Working With Children Check expires (if applicable), whichever is sooner. At that time you will need to complete the undertaking form and training module again. You will receive an automatic reminder email when this occurs.

Further information on the new online form and training module can be found at www.parra.catholic.edu.au and clicking on *about us/building child safe communities*. Within the form you will also find help sheets and a video tutorial to assist you.

Thank you in advance for your support.
