Principal's Message

Dear Families of Our Lady of Lourdes,

2021 has been a tumultuous and challenging year in many ways, both for individuals, families and the community. Yet, as the school year draws to a close, it is with a sense of both gratitude and pride that I reflect on our journey this year and the way that we have supported each other through the challenges we have faced. With that in mind I would like to thank each and every member of our community for the contribution they have made.

To our students who displayed resilience and a positive attitude as they adapted first, to learning from home, and then to returning to school with COVID restrictions.

To our parents who juggled their own work commitments while supporting their children's learning and who responded with grace and good humour to the many changes to procedures throughout the year.

To our staff, teachers, office support staff and teacher's aides who have worked tirelessly to support students and families through these unprecedented times adapting procedures and protocols to ensure that each transition was as smooth as it possibly could be.

To Father Henry, who as always, leads our community with grace and compassion.

With the Christmas season upon us I would like to take this opportunity to wish each and everyone of you the blessings of the season. May the peace of the Christ child be present within your families and may this Christmas be a time to stop and reflect on the blessings that we have.

May 2022 bring you much joy and many successes. For those families moving out of the area or changing schools, we wish you every success. I look forward to seeing all our other families in the New Year – refreshed and ready for learning

**God Bless,
Keiran Byrnes**

Out and About

I would like to thank all the members of our school community who make Our Lady of Lourdes such a wonderful place to work, learn and grow in. I have thoroughly enjoyed my first year as Assistant Principal of Our Lady of Lourdes and loved getting to know the community. I would like to thank our students, parents and staff for your resilience and commitment to ensuring that we continued learning and growing during these uncertain times.

Over the holidays can I remind you that there is “no APP that can replace your LAP” in terms of reading with your children. Time spent together reading favourite books is so precious. I encourage all of our families to use some of the down time over the break to give children time to read to you, to listen to you read and to share favourite stories together. Talking with and reading to our children is one of the most valuable gifts we can give and will in turn give you treasured memories of time together.

Over the summer break students are encouraged to join the Executive Director’s Summer Reading Challenge. There are great prizes on offer and it is a great way to ensure that students continue reading over the holiday break.

Students may join the challenge either by reading physical copies of books or by accessing ebooks via the various platforms advertised elsewhere in the newsletter.

It would be great if a student from OLOL could win one of the challenge prizes.

Merry Christmas and may this Christmas season fill your hearts and homes with peace and joy. I am looking forward to working with you all again in partnership in 2022.

Margaret Ferguson - Assistant Principal

RE NEWS ADVENT

3rd Sunday of Advent - Lk 3:10-18

A reading from the holy Gospel according to Luke

What, then, must we do?

When all the people asked John, 'What must we do?' he answered, 'If anyone has two tunics he must share with the man who has none, and the one with something to eat must do the same.' There were tax collectors too who came for baptism, and these said to him, 'Master, what must we do?' He said to them, 'Exact no more than your rate.' Some soldiers asked him in their turn, 'What about us? What must we do?' He said to them, 'No intimidation! No extortion! Be content with your pay!'

A feeling of expectancy had grown among the people, who were beginning to think that John might be the Christ, so John declared before them all, 'I baptise you with water, but someone is coming, someone who is more powerful than I am, and I am not fit to undo the strap of his sandals; he will baptise you with the Holy Spirit and fire. His winnowing-fan is in his hand to clear his threshing-floor and to gather the wheat into his barn; but the chaff he will burn in a fire that will never go out.' As well as this, there were many other things he said to exhort the people and to announce the Good News to them.

4th Sunday of Advent - Lk 1:39-45

A reading from the holy Gospel according to Luke

Why should it happen that I am honoured with a visit from the mother of my Lord?

Mary set out and went as quickly as she could to a town in the hill country of Judah. She went into Zechariah's house and greeted Elizabeth. Now as soon as Elizabeth heard Mary's greeting, the child leapt in her womb and Elizabeth was filled with the Holy Spirit. She gave a loud cry and said, 'Of all women you are the most blessed, and blessed is the fruit of your womb. Why should I be honoured with a visit from the mother of my Lord? For the moment your greeting reached my ears, the child in my womb leapt for joy. Yes, blessed is she who believed that the promise made her by the Lord would be fulfilled.'

RE NEWS

CHRISTMAS

Even though people are surrounded by department store decorations, commercials, Christmas carols, special foods, and the like, we believe that the Christmas celebration actually evolved from the humble story of a young woman giving birth in the straw in a stable.

What do you think went through Joseph's mind as he witnessed Mary giving birth to a baby? What do you think went through Mary's mind as she struggled with the birth experience?

The Christmas story is full of symbols. Jesus, who becomes our bread and wine – our nourishment – is laid in a manger, the feeding trough for the animals. Jesus, who is the champion of poor people, is born into a homeless family. Poor shepherds were the first to welcome the Messiah that the Jewish people had been awaiting for generations. The symbol of angels singing and praising God was a good clue that something out of the ordinary was happening.

Modern Christmas stories use different symbols to make the same points: Rudolph, the 'poorest' reindeer, becomes the champion; and Frosty, a snowman, transforms children's lives.

What story from your own personal Christmas experiences has special meaning or symbolism? Share these with your families on Christmas day.

At OLOL the children will be celebrating Christmas by visiting the nativity set up in the hall. They will experience the preparation Mary and Joseph experienced during advent leading up to the birth of Jesus on Christmas Day. They will have the opportunity to share their own personal Christmas story experiences.

RE NEWS

OLOL CHRISTMAS REFLECTION

The children at OLOL had a rich experience learning about Mary and Joseph's preparation for the birth of their son Jesus during Advent leading up to Christmas. They also reflected on how Mary and Joseph supported Jesus during his time on earth. Below are some photos of our Christmas reflection. Kindergarten Orientation

Last week the 2022 Kindergarten children attended their orientation visit at OLOL and their parents were involved in a unique information night undertaken via a zoom meeting. It was most successful with both adults and children, meeting new people and creating new networks as they join the OLOL community. We make these newest and youngest members of our community most welcome.

This time of transition to school is a time that is exciting and no doubt a time of nervousness as well. When parents reflect back on the birth of their new baby they held great hopes for their child for the future and also some fears. When discussing with new families their hopes they often express that they want a good education for their child, for them to be able to make friends and for their child to be happy at school and in life. The success of your child's education is reliant on the relationships that parents, children and staff form at OLOL. Both experience and research tell us this. School personnel and parents must work with one another to form positive, open relationships. When we focus on working together as partners in the education of your child we need to keep the following principles in focus:

- ❑ All families and schools want the best for their children.
- ❑ All children have the right to reach their full potential.
- ❑ Families are the first and continuing educators of their children.
- ❑ Effective schools provide a nurturing and supportive learning environment.
- ❑ Families and schools value quality teaching and respect teachers' professional expertise.
- ❑ Families and schools value the diversity of families and use this for building partnerships and communities Family-school partnerships are based on mutual responsibility, respect and trust
- ❑ Family-school partnerships improve student motivation and learning
- ❑ Family-school partnerships strengthen the connections between schools and their communities and strengthen their community

At OLOL we place value on continuing positive, mutually respectful relationships where families and schools work together to ensure optimum success for all children.
