Principal's Message

Dear Families of Our Lady of Lourdes,

We are fast approaching the end of the school year and we are also fast approaching the end of another kind of year - the Church's liturgical year. Next week, 21st November, we celebrate the Solemnity of Christ the King. Each year we set aside this Sunday to reflect upon this title that we have given to Jesus.

As the Church's liturgical year draws to a close so does the Gospel focus on the writings of St Mark. In his Gospel this Sunday, Jesus is questioned by the disciples regarding the end of time, the end of the world - the end of human occupation of the earth. Jesus says very little in reply to their inquiries, redirecting the disciples to focus on how they have lived their lives.

We may ask ourselves, are we living a life highlighted by the Gospel values exhibited in our relationships with others or are we too self-centered and focussed on worldly possessions?

Let us reflect on this question as we come into the season of Advent in the next few weeks, reflecting on our lives, repenting for our wrong doings and opening our hearts to the love of God our Father.

**God Bless,
Keiran Byrnes**

Best wishes to all Year 12 students who are currently sitting their exams.

This week we are launching the Executive Director's Summer Reading Challenge. The challenge is designed to encourage students to read over the holiday break, whether this be physical books or online via our digital platforms. There are some great prizes on offer so all students are encouraged to join the challenge for a chance to win and boost their reading skill at the same time.

Students can read anything they like to enter the challenge, whether it's a comic, play, a piece of poetry, book, e-book or animated novel. Students can access e-books from our student e-book platforms [SORA](#) or [Wheelers](#).

Taking part in the Executive Director's Summer Reading Challenge is easy! Students just need to read something they enjoy and tell us in 50 words or less why they loved it. The more a student reads, the more times they can enter the reading challenge and the more chances they have of winning one of two \$500 JB Hi-Fi vouchers or one of 30 runner-up gift vouchers to the value of \$30. Students can enter online by visiting the CEDP website.

Entries open on 1 November 2021 and close at 5:00pm on 25 February 2022. Terms and Conditions can be found [here](#).

RE NEWS

REMEMBRANCE DAY

On 11 November 1918, the guns of the Western Front fell silent after four years of continuous warfare. With their armies retreating and close to collapse, German leaders signed an Armistice, bringing to an end the First World War.

From the summer of 1918, the five divisions of the Australian Corps had been at the forefront of the allied advance to victory. Beginning with their stunning success at the battle of Hamel in July, they helped to turn the tide of the war at Amiens in August, followed by the capture of Mont St Quentin and Pèronne, and the breaching of German defences at the Hindenburg Line in September. By early October the exhausted Australians were withdrawn from battle. They had achieved a fighting reputation out of proportion to their numbers, but victory had come at a heavy cost. They suffered almost 48,000 casualties during 1918, including more than 12,000 dead.

In the four years of the war more than 330,000 Australians had served overseas, and more than 60,000 of them had died. The social effects of these losses cast a long shadow over the postwar decades.

Watch the National Commemorative Service

The National Commemorative Service will be broadcast live from the Australian War Memorial on the ABC from 10:45am AEDT and streamed live on the Memorial's **Facebook** and **YouTube** pages. The ceremony will be available for streaming at any time on ABC iView.

Due to the current restrictions, the students at OLOL this year will be participating in a prayer service and completing activities to learn about Remembrance Day in their classrooms.

SAINT NICOLAS By Zac and James

On the 17 of March 270 AD a Nicholas was exiled to Paphlagonia and Rome.

They had a very smart son as, by the time he was 5 he was reading the bible.

Nicholas loved to go to church with his parents, so he dedicated his life to God and started worshipping with monks.

Later in his life he lost his parents close to a plague and was left with a lot of inheritance. But with everything he did with his family when was a child.

One day Nicholas went to the church but today many people were in the church. Everyone was happy for his story.

Later he was used to tell his sleeping companion because they said he was never asleep. All of a sudden he was Mary appeared in front of him. Nicholas told all and he was given a bunch of grapes by his friends and an inspiration by Mary. He was again decided as a bishop.

8th November, 2021

Dear Parents

In 2022 the teaching staff will administer the Mathematics Assessment Interview with all our students. This numeracy assessment identifies individual students' and whole grades' Mathematical knowledge and understanding and involves a teacher asking a series of problems within counting, place value, addition and subtraction, and multiplication and division. This valuable, comprehensive assessment has been our practice for many years.

The one on one (teacher and student) Mathematics Assessment Interview takes approximately 30-40 minutes to administer. Administering this during learning time can be a complex situation. As a result, to get a start on the administration of these tests, all staff will begin testing on the **first two days** of 2022 (Staff Development Days). We are seeking parents' help by offering to bring their child(ren) to school on Friday 28th January or Monday 31st January 2022 for approximately 30-40 minutes. These assessments will take place with the child's grade teacher or learning support teacher in their 2022 learning spaces. The more students we assess the better. It is also an opportunity for your child to get to know their new teacher. If your child is attending OOSH on these days testing can still occur as the staff will collect and return your child to OOSH. After entering your child's name in the site, write OOSH. This will let the administering teacher know to collect your child from the OOSH carers.

We will be using the *school interviews website* to make bookings online as we did for the half yearly Parent/Teacher interviews. *We recommend that families with 2 or more children make their bookings early so that all of your children can be interviewed at the same time.*

You will need to select your child's grade for 2022. Choose a suitable time with any of the available teachers listed, as all teachers on that list will be working with children in that grade.

On the reverse of this note you will find the information required to make these bookings online. Bookings will open on 8th November, 2021 and close 6th January 2022. **We ask that parents log on and make appointments as soon as possible so teachers can organise and finalise timetables.**

Please note, all students will be assessed during the first five weeks of Term 1 but the more interviews conducted on these two days the less interruptions to class learning in Term One. This information will be analysed and utilised by class teachers in the teaching and learning of Mathematics.

Should you have any questions or queries, please do not hesitate to contact us. Thank you for your anticipated support of this exciting initiative.

Yours sincerely,

Karin Schrader
(Maths Coordinator)

Margaret Ferguson
(Assistant Principal)

Keiran Byrnes
