## Are you moving?

If your child/children will not be returning to Our Lady of Lourdes in 2023, would you kindly inform the office.

Notice in writing will be accepted at any time during Term 4 in relation to the following year's enrolment. In this circumstance the requirement of 10 weeks notice will be waived.

## Principal's Message

*Dear Families of Our Lady of Lourdes,*

*Last Sunday was the first Sunday of Advent, which is also the first Sunday of a new liturgical year for the Church. The Advent season includes the four Sundays that precede Christmas. It is a time of preparation for the coming of the Lord. In this season, we recall two central elements of our faith: the final coming of the Lord in glory and the incarnation of the Lord in the birth of Jesus. Key themes of the Advent season are watchful waiting, preparation, and justice.*

*As we begin our Advent journey over the next four weeks we will make many preparations in anticipation of Jesus' birth but one of the most important aspects of the journey will be the prayers for peace offered over this time. We pray for the courage to work for peace in our hearts, our communities and our world.*

**God of Love,**

**Your son, Jesus, is your greatest gift to us.**

**He is a sign of your love.**

**Help us walk in that love during the weeks of Advent.**

**We pray for peace in our hearts and in our world,**

**As we wait and prepare for his coming.**

**We pray in the name of Jesus, our Savior.**

**Amen.**

**God Bless,  
Keiran Byrnes**

## Reporting Student Learning K - 6

Next Wednesday 7th December you will be able to access your child's report for Semester 2 on the Compass Portal. These reports are only one way of gaining information about your child and their academic progress. We encourage you to also look through your child's workbooks and work samples that will be sent home in the last week of school.

The report communicates information about your child's learning

- for all seven Key Learning Areas (KLAs)
  - Religion
  - English
  - Mathematics
  - Human Society and its Environment
  - Science and Technology
  - Personal Development, Health and Physical Education
  - Creative Arts
- using a scale of achievement.

### What is a Scale of Achievement?

**Years Kindergarten – 6 learning reports** communicate individual achievement in all areas according to the following scale:

Outstanding Achievement	High Achievement	Sound Achievement	Basic Achievement	Experiencing Difficulty
-------------------------	------------------	-------------------	-------------------	-------------------------

Your child's effort for each area is reported using a three-point scale:

- Improvement Required
- Satisfactory
- Commendable

**Comments** In the Semester 2 Report a comment section has been included for Religion, English and Mathematics as well as a general comment. In the Key Learning areas of Religion, English and Mathematics the comments take the form of dot points. The first set of dot points relate to what the student is able to do and the next set of dot points give suggestions as to the next step for the student in relation to the Key Learning Area.

The general comment at the end of the report gives the teacher an opportunity to comment on the work habits and social aspects of each child.

As throughout the year, parents have the opportunity to discuss their child's performance. Should you wish to have a meeting with your child's teacher, please contact the office or your child's teacher to make an appointment at a mutually convenient time.

# ST VINCENT DE PAUL HAMPERS

Advent is a perfect time to put our faith into action by participating in the Christmas appeal for our local Saint Vincent de Paul Society. This year we will prepare class hampers of food items, which will be used by the society to help those in need in our community.

As part of the Winter Appeal initiative, teachers and students will be completing activities during class time to become aware of why we give hampers to families and the elderly who are disadvantaged, vulnerable and isolated, and for those who are struggling and suffering through hard times, particularly during the Christmas season. Here is a great link to [Vinnies Classroom Activities](#) to promote the initiative at home as well.

We will present our hampers to a Society representative at our End of Year Thanksgiving and Graduation event on 15th December, 2022. We ask that all families help support this appeal by sending in donations of non-perishable food items for the class hampers. We have plenty of hampers and boxes to fill.

Thank you for your ongoing support, Lucy Messina (Religious Education Coordinator)
